CITY TO OFFER FREE PARKING NOVEMBER 22 & 23

(Greenville SC) The City of Greenville will offer free parking at all of its parking facilities on Thursday, November 22 and Friday, November 23. Parking will be free beginning at 6:00 a.m. on November 22 and ending at 6:00 a.m. on Saturday, November 24.

According to Dennis Garrett, the City's Parking Services General Manager, offering free parking on Thanksgiving Day and "Black Friday" is a way to express the City's appreciation for parkers' patronage throughout the year and the perfect opportunity to kick off the holiday shopping season. "We hope everyone will take advantage of this free parking event and make plans to come enjoy the multitude of shops and restaurants that downtown has to offer," said Garrett. "November 23 is also opening day for Ice on Main, so skaters can park for free in several conveniently located garages near the rink."

Visit http://www.greenvillesc.gov/Transportation/parking.aspx for more information about the City's parking facilities and their locations, and to use the online parking locator to determine the facility closest to your destination.
